## **Idiot Signs**

### **Idiot # 1**

**I am a medical student currently doontrol center.**

**Today, this woman called in very upset because she caught her little daughter eating ants. I quickly reassured her that the ants are not harmful and there would be no need to bring her daughter into the hospital. She calmed down, and at the end of the conversation happened to mention that she gave her daughter some ant poison to eat in order to kill the ants. I told her that she better bring her daughter into the Emergency room right away.**

**Here's your sign lady. Wear it with pride.**

### **Idiot # 2**

Seems that a year ago, some Boeing employees on the airfield decided to steal a life raft from one of the 747s. They were successful in getting it out of the plane and home. When they took it for a float on the river, a Coast Guard helicopter coming towards them surprised them. It turned out that the chopper was homing in on the emergency locator beacon which activated when the raft was inflated.

They are no longer employed at Boeing.

Here's your sign guys. Don't get it wet, the paint might run.

Idiot # 3

A true story out of San Francisco: A man, wanting to rob a downtown Bank of America, walked into the branch and wrote "this iz a stikkup. Put all your munny in this bag."

While standing in line, waiting to give his note to the teller, he began to worry that someone had seen him write the note and might call the police before he reached the teller window. So he left the Bank of America and crossed the street to Wells Fargo. After waiting a few minutes in line, he handed his note to the Wells Fargo teller. She read it and, surmising from his spelling errors that he wasn't the brightest light in the harbor, told him that she could not accept his stickup note because it was written on a Bank of America deposit slip and that he would either have to fill out a Wells Fargo deposit slip or go to the Bank of America.

Looking somewhat defeated, the man said "OK" and left.

The teller immediately called the police, and relayed the information.

He was arrested a few minutes later, as he was waiting in line back at Bank of America.

Don't bother with this guy's sign. He probably couldn't read it anyway.

**Idiot # 4**

**A motorist was unknowingly caught in an automated speed trap that measured his speed using radar and photographed his car. He later received in the mail a ticket for \$40 and a photo of his car. Instead of payment, he sent the police department a photograph of \$40. Several days later, he received a letter from the police that contained another picture, this time of handcuffs. He immediately mailed in his \$40.**

**Another sign (though this guy might be onto something worth thinking about)!**

---

**Idiot # 5**

**Guy walked into a little corner store with a shotgun and demanded all the cash from the cash drawer. After the cashier put the cash in a bag, the robber saw a bottle of scotch that he wanted behind the counter on the shelf. He told the cashier to put it in the bag as well, but he refused, saying, "I don't believe you are over 21."**

**The robber said he was, but the clerk still refused to give it to him, saying he didn't believe him.**

**At this point the robber took his driver's license out of his wallet and gave it to the clerk. The clerk looked it over, and agreed that the man was in fact over 21 and he put the scotch in the bag. The robber then ran from the store with his loot. The cashier promptly called the police and gave the name and address of the robber that he got off the license.**

**They arrested the robber two hours later.**

**(Remind me to have more signs printed up. Give this guy his!)**

~~~~~

**Idiot # 6**

**A pair of Michigan robbers entered a record shop nervously waving revolvers.**

**The first one shouted, "Nobody move!"**

**When his partner moved, the startled first bandit shot him.**

**(This guy doesn't need a sign, he probably figured it out himself.)**

~~~~~

**Idiot # 7**

**Arkansas: Seems this guy wanted some beer pretty badly. He decided that he'd just throw a cinder block through a liquor store window, grab some booze, and run.**

**He lifted the cinder block and heaved it over his head at the window.**

**The cinder block bounced back and hit the would-be thief on the head, knocking**

**him unconscious.**

**Seems the liquor store window was made of Plexiglas.**

**The whole event was caught on videotape.**

**(Oh, that smarts. Give him his sign!)**

~~~~~

## Idiot # 8

**Ann Arbor: The Ann Arbor News crime column reported that a man walked into a Burger King in Ypsilanti, Michigan at 12:50 am, flashed a gun and demanded cash.**

**The clerk turned him down because he said he couldn't open the cash register without a food order.**

**When the man ordered onion rings, the clerk said they weren't available for breakfast.**

**The man, frustrated, walked away in disgust.**

**A man and his wife are spending the day at the zoo. She's wearing a cute, loose-fitting, pink spring dress, sleeveless with straps. He's wearing his normal jeans and a T-shirt. The zoo is not very busy this morning.**

**As they walk through the ape exhibit, they pass in front of a very large hairy gorilla. Noticing the girl, the gorilla goes ape. (No pun intended)**

**He jumps up on the bars, and holding on with one hand (and 2 feet), he grunts and pounds his chest with his free hand. He is obviously excited at the pretty lady in the wavy dress.**

**The husband, noticing the excitement, thinks this is funny. He suggests that his wife teases the poor fellow some more. The husband suggests she**

pucker her lips, wiggle her bottom at him, and play along.

She does, and Mr. Gorilla gets even more excited, making noises that would wake the dead.

Then the husband suggests that she let one of her straps fall to show a little more skin.

She does, and Mr. Gorilla is about to tear the bars down.

"Now try lifting your dress up your thighs and sort of fan it at him." he says....

This drives the gorilla absolutely crazy and now he's doing flips.

Then the husband grabs his wife by the hair, rips open the door to the cage, flings her in with the gorilla and slams the cage door shut.

"Now, tell HIM you have a headache."

In a crowded city, at a busy bus stop, a beautiful young woman who was waiting for a bus was wearing a tight mini skirt. As the bus stopped and it was her turn to get on, she became aware her skirt was too tight to allow her leg to come up to the height of the first step of the bus. Slightly embarrassed and with a quick smile to the bus driver, she reached behind her to unzip her skirt a little, thinking this would give her enough slack to raise her leg. Again, she tried to make the step, only to discover she still couldn't.

So, a little more embarrassed, she once again reached behind her to unzip her skirt a little more and, for the second time, attempted the step. Once again, much to her chagrin, she could not raise her leg. With a little smile to the driver, she again reached behind to unzip a little more and again was unable to make the step. About this time, a large Texan who was standing behind her picked her up easily by the waist and placed her gently on the step of the bus. She went ballistic, and turned to the would-be Samaritan and yelled, "How dare you touch my body! I don't even know who you are!"

The Texan smiled and drawled, "Well, ma'am, normally I would agree with you but after you unzipped my fly three times, I kinda figured we was friends!!!

## **Courtroom Questions**

**Reported in the Massachusetts Bar Association Lawyers Journal, the following are questions actually asked of witnesses by attorneys during trials and, in certain cases, the responses given by insightful witnesses:**

- 1. "Now doctor, isn't it true that when a person dies in his sleep, he doesn't know about it until the next morning?"**

- 8. "You were there until the time you left, is that true?"**
  
- 9. "How many times have you committed suicide?"**
  
- 10. Q: "So the date of conception (of the baby) was August 8th?"**

A: "I went to Europe, sir."

Q: "And you took your new wife?"

14. Q: "How was your first marriage terminated?"

A: "He was about medium height and had a beard."

**A: "No, he was sitting on the table wondering why I was doing an autopsy."**

**20. Q: "You were not shot in the fracas?"**

**A: "No, I was shot midway between the fracas and the naval."**

**21. Q: "Are you qualified to give a urine sample?"**

**A: "I have been since early childhood."**

**22. Q: "Doctor, before you performed the autopsy, did you check for a pulse?"**

**A: "No."**

**Q: "Did you check for blood pressure?"**

**A: "No."**

**Q: "Did you check for breathing?"**

**A: "No."**

**Q: "So, then it is possible that the patient was alive when you began the**

autopsy?"

A: "No."

Q: "How can you be so sure, doctor?"

A: "Because his brain was sitting on my desk in a jar."

Q: "But could the patient have still been alive nevertheless?"

A: "It is possible that he could have been alive and practicing law somewhere."

**Christmas meets Political correctness**

**RE : Christmas Party**

**DATE : December 1**

**I'm happy tas Party will take place on December 23, starting at noon in the banquet room at Luigi's Open Pit Barbecue. No-host bar, but plenty of eggnog ! We'll have a small band playing traditional carols... feel free to sing along. And don't be surprised if our CEO shows up dressed as Santa Claus ! A Christmas tree will be lit at 1:00 P.M. Exchange of gifts among employees can be done at that time, however, no gift should be over \$10.00 to make the giving of gifts easy for everyone's pockets. This gathering is only for employees ! A special announcement will be made by our CEO at that time. Merry Christmas to you and your family.**

**In no way was yesterday's memo intended to exclude our Jewish employees. We recognise that Chanukah is an important holiday which often coincides with Christmas, though unfortunately not this year. However, from now on we're calling it our " Holiday Party." The same policy applies to employees who are celebrating Kwanzaa at this time. There will be no Christmas tree present. No Christmas carols will be sung. We will have other type of music for your enjoyment. Happy now ? Happy Holidays to you and your family.**

I'm happy to accommodate this request, but if I put a sign on a table that reads, " AA Only", you wouldn't be anonymous anymore. How am I supposed to handle this ? Somebody ? Anybody ??? Forget about the gifts exchange, no gifts exchange are allowed since the union members feel that \$10.00 is too much money and executives believe \$10.00 is very little for a gift. What a diverse group we are ! I had no idea that December 20 begins the Muslim holy month of Ramadan, which forbids eating and drinking during daylight hours. There goes the party ! Seriously, we can appreciate how a luncheon this time of year does not accommodate our Muslim employees' beliefs. Perhaps Luigi's can hold off on serving your meal until the end of the party - the days are so short this time of year - or else package everything for take home in little foil swans. Will that work ?

Meanwhile, I've arranged for members of Overeaters Anonymous to sit farthest from the dessert buffet and pregnant women will get the table closest to the restroom. Gays are allowed to sit with each other. Lesbians do not have to sit with the Gay men, each Group will have their own table. Yes, there will be flower arrangement for the Gay men's table. To the person asking permission to cross dress, no cross dressing allowed though. We will have booster seats for short people. Low-fat food will be available for those on a diet. We cannot control the salt used in the food, so we suggest those people with high blood problems to taste first. There will be fresh fruits as dessert for Diabetics, the restaurant cannot supply " No Sugar " desserts. Sorry ! Did I miss anything ?

It's a tradition, folks, like sugar shock at Halloween or family feuds over the thanksgiving turkey or broken hearts on Valentine's Day. Could we lighten up ? PLEASE ?????????? **The Amazing Goldstein."**

**A traveling salesman visits to a small town in the Midwest and sees a**

**circus banner---- reading "Don't miss the Amazing Goldstein!"Curious, he buys a**

**ticket and sits through the usual circus acts. Animals, clowns, contortionists, and other questionable acts.**

**Finally the trumpets blare and all eyes turn to the center ring. There in the middle of the ring is a table with three walnuts**

**on it. Out comes a little old Jewish man, five feet tall and barely able to walk**

to the table. He

unzips his pants, whips out his penis, and proceeds to smash all three walnuts with three swings! The crowd erupts in thunderous applause as the elderly Goldstein is carried off on the shoulders of clowns.

Twenty years later the salesman visits the same little town and he sees a faded sign for the same circus and the same----- "Don't Miss the Amazing Goldstein." He can't believe the old guy is still alive, much less still performing his act! Again he buys a ticket, sits through all the preliminary acts and again the center ring is illuminated.

This time three coconuts are on the table and the much older Goldstein takes forever, to make it to the table. He smashes the coconuts with three swings of his amazing weapon and the crowd goes wild!The salesman is so impressed that he requests a meeting with him after the show. In his dressing room he tells Goldstein, that he's never seen anything like his act. But he wants to know why he is now smashing coconuts instead of the much easier walnuts.

"Vell," says Goldstein, my eyes aren't vhat they used to be!"

coming from the bedroom. He rushes upstairs to find his wife naked on the bed, sweating and panting. "What's going on?" he asks.

"I'm having a heart attack," cries the woman.

He rushes downstairs to grab the phone, but just as he's dialing, his 4-year-old son comes up and says, "Daddy! Daddy! Uncle Ted's hiding in your closet and he's got no clothes on!"

The guy slams the phone down and storms upstairs into the bedroom, past his screaming wife, and rips open the wardrobe door. Sure enough, there is his brother, totally naked, cowering on the closet floor.

"I can't believe it!!!" says the husband. "My wife's having a heart attack, and all you can do is run around the house naked scaring the kids?"

### **Bad Day at the Vet's**

A man brought a very limp dog into the veterinary clinic. As he lay the dog on the table, the doctor pulled out his stethoscope, placing the receptor on the dog's chest.

After a moment or two, the vet shook his head sadly and said, "I'm sorry, but your dog has passed away."

"What?" screamed the man. "How can you tell? You haven't done any testing on him or anything. I want another opinion!"

With that, the vet turned and left the room. In a few moments, he returned with a Labrador Retriever. The Retriever went right to work, checking the poor dead dog out thoroughly.

After a considerable amount of sniffing, the Retriever sadly shook his head and said "Bark". The veterinarian then took the Labrador out and returned in a few moments with a cat, who also checked out the poor dog on the table.

As had his predecessors, the cat sadly shook his head and said, "Meow." He then jumped off the table and ran out of the room.

The veterinarian handed the man a bill for \$600.

The dog's owner went postal. "\$600! Just to tell me my dog is dead? This is outrageous!"

The vet shook his head sadly and explained. "If you had taken my word for it, it would have been \$50, but with the Lab work and the cat scan..."

## **The New Priest**

**A new priest at his first mass was so nervous he could hardly speak. After mass he asked the monsignor how he had done. The monsignor replied, "When I am worried about getting nervous on the pulpit, I put a glass of vodka next to the water glass. If I start to get nervous, I take a sip." So the next Sunday he took the monsignor's advice.**

**At the beginning of the sermon, he got nervous and took a drink. He proceeded to talk up a storm. Upon return to his office after mass, he found the following note on his door:**

- 1. Sip the Vodka, don't gulp.**
- 2. There are 10 commandments, not 12.**

**The Truth About Jesus**

>

Scholars have long debated the exact ethnicity and nationality of Jesus.

Recently, at a theological meeting in Rome, scholars had a heated debate on this subject. One by one, they offered their evidence:

>

**THREE PROOFS THAT JESUS WAS MEXICAN**

His first name was Jesus.

He was bilingual.

He was always being harassed by the authorities.

>

But then there were equally good arguments that.....

>

**JESUS WAS BLACK**

He called everybody "brother".

**he had no permanent address**

**He liked Gospel.**

**Nobody would hire him.**

**He couldn't get a fair trial.**

**But then there were equally good arguments that.....**

**>**

**JESUS WAS PUERTO RICAN**

**His first name was Jesus.**

**He was always in trouble with the law.**

**His mother didn't know who his father was.**

**But then there were equally good arguments that.....**

**>**

**JESUS WAS JEWISH**

**He went into His Father's business.**

**He lived at home until he was 33.**

**He was sure his Mother was a virgin, and his Mother was sure he was God.**

**But then there were equally good arguments that.....**

**>**

**JESUS WAS ITALIAN**

**He talked with his hands.**

**He had wine with every meal.**

**He used olive oil.**

**He worked in the building trade.**

**But then there were equally good arguments that.....**

**>**

**JESUS WAS A CALIFORNIAN**

**He never cut his hair.**

**He walked around barefoot.**

**He started a new religion.**

**But then there were equally good arguments that.....**

### **JESUS WAS IRISH**

**He never got married.**

**He was always telling stories.**

**He never held a steady job.**

**He loved green pastures.**

**His last request was a drink.**

**>**

**But perhaps the most compelling evidence .....**

**>**

### **THREE PROOFS THAT JESUS WAS A WOMAN**

**He had to feed a crowd at a moment's notice when there was no food.**

**He kept trying to get the message across to a bunch of men who just didn't get it.**

**Even when He was dead, He had to get up because there was more work for him to do.**

**Subject: Notice of revocation of independence**

**To the citizens of the United States of America, In the light of your failure to elect a President of the USA and thus to govern yourselves, we hereby give notice of the revocation of your independence, effective today.**

**Her Sovereign Majesty Queen Elizabeth II will resume monarchical duties over all states, commonwealths and other territories. Except Utah, which she does not fancy. Your new prime minister (The Rt. Hon. Tony Blair, MP for the 97.85% of you who have until now been unaware that there is a world outside your borders) will appoint a minister for America without the need for further elections. Congress and the Senate will be disbanded. A questionnaire will be circulated next year to determine whether any of you noticed.**

**To aid in the transition to a British Crown Dependency, the following rules are introduced with immediate effect:**

**1. You should look up "revocation" in the Oxford English Dictionary. Then look up "aluminium". Check the pronunciation guide. You will be amazed at just how wrongly you have been pronouncing it. Generally, you should raise your vocabulary to acceptable levels. Look up "vocabulary". Using the same twenty seven words interspersed with filler noises such as "like" and "you know" is an unacceptable and inefficient form of communication. Look up "interspersed" .**

**2. There is no such thing as "US English" . We will let Microsoft know on your behalf.**

**3. You should learn to distinguish the English and Australian accents. It really isn't that hard.**

**4. Hollywood will be required occasionally to cast English actors as the good guys.**

**5. You should relearn your original national anthem, God Save The Queen, but only after fully carrying out task 1. We would not want you to get confused and give up half way through.**

**6. You should stop playing American football. There is only one kind of football. What you refer to as American football is not a very good game. The 2.15% of you who are aware that there is a world outside your borders may have noticed that no one else plays "American" football. You will no longer**

be allowed to play it, and should instead play proper football. Initially, it would be best if you played with the girls. It is a difficult game. Those of you brave enough will, in time, be allowed to play rugby (which is similar to American football, but does not involve stopping for a rest every twenty seconds or wearing full kevlar body armour like nancies). We are hoping to get together at least a US rugby sevens side by 2005.

7. You should declare war on Quebec and France, using nuclear weapons if they give you any merde. The 97.85% of you who were not aware that there is a world outside your borders should count yourselves lucky. The Russians have never been the bad guys. Merde is French for "shit".

8. July 4th is no longer a public holiday. November 8th will be a new national holiday, but only in England. It will be called Indecisive Day.

9. All American cars are hereby banned. They are crap and it is for your own good. When we show you German cars, you will understand what we mean.

10. Please tell us who killed JFK. It's been driving us crazy.

Thank you for your co-operation.

"Horsie Ride!" - Rated R

Little Johnny was passing his parents' bedroom in the middle of the night, in search of a glass of water. Hearing a lot of moaning and thumping, he peeked in and caught his folks in The Act. Before his dad could even react, Little Johnny exclaimed, "Oh, boy! Horsie ride!

Daddy, can I ride on your back?"

Relieved that Johnny was not asking more uncomfortable questions, and seeing the opportunity not to break his stride, Daddy agreed. Johnny hopped on and Daddy started going to town. Pretty soon Mommy started moaning and gasping.

Johnny cried out, "Hang on tight, Daddy! This is the part where me and the milkman usually get bucked off!"

"Son-in-Law" -

As the woman passed her daughter's closed bedroom door, she heard a strange buzzing noise coming from within. Opening the door, she observed her daughter giving herself a real workout with a vibrator. Shocked, she asked, "What in the world are you doing?"

The daughter replied, "Mom, I'm thirty-five years old, unmarried, and this thing is about as close as I'll ever get to a husband. Please, go away and leave me alone."

The next day, the girl's father heard the same buzz coming from the other side of the closed bedroom door. Upon entering the room, he observed his daughter making passionate love to her vibrator. To his query as to what she was doing, the daughter said, "Dad, I'm thirty-five years old, unmarried, and this thing is about as close as I'll ever get to a husband. Please, go away and leave me alone."

A couple days later, the wife came home from shopping trip, placed the groceries on the kitchen counter, and heard that buzzing noise coming from, of all places, the family room. She entered that area and observed her husband sitting on the couch, staring at the TV. The vibrator was next to him

on the couch, buzzing like crazy.

The wife asked, "What the hell are you doing?"

The husband replied, "I'm watching the ball game with my son-in-law."

> > > An older Jewish gentleman marries a younger lady and they are very much in love. However, no matter what the husband does sexually, the woman never achieves orgasm. Since a Jewish wife is entitled to sexual pleasure, they decide to ask the rabbi.

The rabbi listens to their story, strokes his beard, and makes the following suggestion. "Hire a strapping young man. While the two of you are making love, have the young man wave a towel over you. That will help the wife fantasize and should bring on an orgasm."

They go home and follow the rabbi's advice. They hire a handsome young man and he waves a towel over them as they make love. But it doesn't help and she is still unsatisfied. Perplexed, they go back to the rabbi.

"Okay", says the rabbi, "let's try it reversed. Have the young man make love to your wife and you wave the towel over them."

Once again, they follow the rabbi's advice. The young man gets into bed with the wife and the husband waves the towel. The young man gets to work with great enthusiasm and the wife soon has an enormous, room-shaking screaming orgasm.

The husband smiles, looks at the young man and says to him triumphantly,

"Dead Twins" - Rated R

Twin brothers were born. As they grew up, one took the path of least resistance, and did not live a very good life. He drank, gambled, cheated on his wife, stole, embezzled-you name it. Of course, because of his lifestyle, he did not live to be very old.

Years and years later, the other twin-who had lead an exemplary-died with his loved ones by his side at the ripe old age of 89.

So when he got to heaven, St. Peter asked him if he had any requests.

He said to St. Peter, "Look, I know my twin brother didn't lead a good life, but he was my brother, and if it's okay with you, I'd really like to take one last look at him."

"Certainly, my son," St. Peter said as he parted the clouds to peer down into the underworld. The man saw the most extraordinary thing!

His brother was on a deserted island in a lake of fire, with a beautiful blonde on one hand and a bottle of 100-year-old whiskey in the other!

"I don't get it," the man said, "what kind of punishment is that?"

"Ah," said St. Peter, "don't be deceived by looks, my son. All is not what it appears to be. You see, the bottle of whiskey has a hole in it, and the girl . . ."

A devoted wife had spent her lifetime taking care of her husband. Now he had been slipping in and out of a

When he came to senses, he motioned for her to come near him. As she sat by him, he said, "You know what?

You have been with me all through the bad times. When I got fired, you were there to support me. When my

business failed, you were there. When I got shot, you were by my side. When we lost the house, you gave me

support. When my health started failing, you were still by my side. You know what?"

"What dear?" She asks gently.

"I think you bring me bad luck."

## **CHILDREN'S ANSWERS IN MUSIC EDUCATION.**

**These are stories and test answers accumulated by music teachers in the state of Missouri, circa 1989.**

**Source: Missouri School Music Newsletter.**

**\* It is important to be able to reach the brakes on any piano.**

**\* Just about any animal skin can be stretched over a frame to make a pleasant sound once the animal is removed.**

**\* It is easy to teach anyone to play the maracas. Just grip the neck and shake him in rhythm.**

**\* My favorite instrument is the bassoon. It is so hard to play people hardly ever play it. That is why I like the bassoon best.**

**\* I would like for you to teach me to play the cello. Would tomorrow or Friday be best?**

**\* The plural form of musical instrument is known as orchestra.**

**\* Tubas are a bit too much.**

- \* A contra-bassoon is like a bassoon, only the opposite.
- \* The most dangerous part about playing cymbals is near the nose.
- \* The flute is a skinny-shape-high-sounded instrument.
- \* Instrumentalist is a many-purposed word used by many player-types.
- \* Anyone who can read all the instrument notes at the same time gets to be the conductor.
- \* The main trouble with a French horn is it's too tangled up.
- \* For some reason, they always put a treble clef in front of every line of flute music. You just watch.
- \* The concertmaster of an orchestra is always the person who sits in the first chair of the first violins. This means that when a person is elected concertmaster, he has to hurry up and learn how to play a violin real good.
- \* Question: Is the saxophone a brass or a woodwind instrument?  
Answer: Yes.
- \* Last month I found out how a clarinet works by taking it apart. I both found out and got in trouble.
- \* A bassoon looks like nothing I have ever heard.
- \* Cymbals are round, metal CLANGS!
- \* Question: What are kettle drums called?  
\* Answer: Kettle drums.
- \* When electric currents go through them, guitars start making sounds. So would anybody.
- \* The double bass is also called the bass viol, string bass, and bass fiddle. It has so many names because it is so huge.
- \* While trombones have tubes, trumpets prefer to wear valves.

- \* A trumpet is an instrument when it is not an elephant sound.
- \* Another name for kettle drums is timpani. Or else you can just stick with the first name and learn it good.
- \* Instruments come in many sizes, shapes and orchestras.
- \* You should always say 'chili' when you mean there are two or more cellos.
- \* A tuba is much larger than its name.
- \* A harp is a nude piano.
- \* My favorite composer is Opus.
- \* My very best liked piece of music is the Bronze Lullaby.
