The little girl stated that Jonah was swallowed by a whale. Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible.

Bill Gates in Hell

Bill Gates dies and goes to hell.

Satan greets him: "Welcome Mr. Gates, we've been waiting for you. This will be your home for all eternity. You've been selfish, greedy and a big liar all your life. Now, since you've got me in a good mood, I'll be generous and give you a choice of three places in which you'll be locked up forever."

Satan takes Bill to a huge lake of fire in which millions of poor souls are tormented and tortured. He then takes him to a massive coliseum where thousands of people are chased about and devoured by starving lions.

Finally, he takes Bill to a tiny room in which there is a Beautiful young blonde with an alluring look on her face, sitting at a table on which there is a bottle of the finest wine. To Bill's delight, he sees a PC in the corner. Without hesitation, Bill says, "I'll take this option."

"Fine," says Satan, allowing Bill to enter the room. Satan locks the room after Bill. As he turns around, he bumps into Lucifer.

"That was Bill Gates!" cried Lucifer. "Why did you give him the best place of all!"

"That's what everyone thinks," snickered Satan. "The bottle has a hole in it and the girl hasn't..."

"What about the PC?"

"It's got Windows 95!" laughed Satan. "And it's missing three keys."

"Which three?"

"Control, Alt and Delete."-----

Heaven or Hell?

Bill Gates dies in a car accident. He finds himself in purgatory, being sized up by St. Peter.

"Well, Bill, I'm really confused on this call; I'm not sure whether to send you to Heaven or Hell. After all, you enormously helped society by putting a computer in almost every home in America, yet you also created that ghastly Windows '95. I'm going to do something I've never done before

in your case; I'm going to let you decide where you want to go."

Bill replied, "well, what's the difference between the two?"

St. Peter said, "I'm willing to let you visit both places briefly, if it will help your decision."

"Fine, but where should I go first?"

"I'll leave that up to you."

"Okay then," said Bill, "Let's try Hell first."

So Bill went to Hell. It was a beautiful, clean, sandy beach with clear waters and lots of bikini-clad women running around, playing in the water, laughing and frolicking about. The sun was shining; the temperature perfect. He was very pleased.

"This is great!" he told St. Peter. "If this is hell, I REALLY want to see heaven!"

"Fine," said St. Peter, and off they went.

Heaven was a place high in the clouds, with angels drifting about, playing harps and singing. It was nice, but not as enticing as Hell.

Bill thought for a quick minute, and rendered his decision.

"Hmmm. I think I'd prefer Hell," he told St. Peter.

"Fine," retorted St. Peter, "as you desire."

So Bill Gates went to Hell.

Two weeks later, St. Peter decided to check on the late billionaire to see how he was doing in Hell. When he got there, he found Bill, shackled to a wall, screaming amongst hot flames in dark caves, being burned and tortured by demons.

"How's everything going?" he asked Bill.

Bill responded, with his voice filled with anguish and disappointment, "This is awful! This is nothing like the Hell I visited two weeks ago! I can't believe this is happening! What happened to that other place, with the beautiful beaches, the scantily-clad women playing in the water?!???" "That was a demo," replied St. Peter.

Men Are Just Happier People.....

What do you expect from such simple creatures?

Their last name stays put.

The garage is all theirs.

Wedding plans take care of themselves.

Chocolate is just another snack.

They can be president.

They can wear a white T-shirt to a water park.

Car mechanics tell them the truth.

The world is their urinal.

They never have to drive to another gas station because this one's just too icky.

Same work, more pay.

Wrinkles add character.

Wedding dress - \$5000; tux rental - \$100.

People never stare at their chest when they're talking to them.

The occasional well-rendered belch is practically expected.

New shoes don't cut, blister, or mangle their feet.

One mood, ALL the time.

Phone conversations are over in 30 seconds flat.

They know stuff about tanks.

A five-day vacation requires only one suitcase.

They can open all their own jars.

They get extra credit for the slightest act of thoughtfulness

If someone forgets to invite him, he or she can still be your friend.

Their underwear is \$8.95 for a three-pack.

Everything on their face stays its original color.

Three pairs of shoes are more than enough.

They don't have to stop and think of which way to turn a nut on a bolt.

They almost never have "strap problems" in public.

They are unable to see wrinkles in their clothes.

The same hairstyle lasts for years, maybe decades.

They don't have to shave below their neck.

Their belly usually hides their big hips.

One wallet and one pair of shoes, one color, all seasons.

They can "do" their nails with a pocket knife.

They have freedom of choice concerning growing a mustache.

And best of all.....

They can do Christmas shopping for 25 relatives, on December 24, in 45 minutes.

A couple was dressed and ready to go out for the evening.
They turned on a night light, turned the answering machine on,

covered their pet canary and put the cat in the backyard.

They phoned the local cab company and requested a taxi.

The taxi arrived and the couple opened the front door to leave their house.

The cat they had put out into the yard scoots back into the house.

They don't want the cat shut in the house because "she" always tries to eat the bird.

The wife goes out to the taxi while the husband goes inside to get the cat.

The cat runs upstairs, the man in hot pursuit.

The wife doesn't want the driver to know the house will be empty,
so she explains to the taxi driver that her husband will be out soon.

"He's just going upstairs to say goodbye to my mother."

A few minutes later, the husband gets into the cab.

"Sorry I took so long," he says, as they drive away.

"Stupid bitch was hiding under the bed.

Had to poke her with a coat hanger to get her to come out!

Then I had to wrap her in a blanket to keep her from scratching me.

But it worked. I hauled her downstairs and threw her out into the back
yard!"

The cab driver hit a parked car...

Class Pictures

The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture. "Just think how nice it will be to look at it when you are all grown up and say, 'There's Jennifer; she's a lawyer,' or 'That's Michael, he's a doctor.'"

A small voice at the back of the room rang out, "And there's the teacher; she's dead."

Three Italian nuns die and go to heaven where they are met at the Pearly gates by St. Peter.

He says, "Ladies, you all led such wonderful lives that I am granting you six months to go back to earth and be anyone you want.

The first nun says, "I want to be Sophia Loren" and *poof*, she's gone.

The second nun says, "I want to be Madonna" and *poof*, she's gone.

The third nun says, "I want to be Sara Pipalini."

St.Peter looks perplexed. "Who?" he asks.

"Sara Pipalini" replies the nun.

St.Peter shakes his head and says, "I'm sorry but that name doesn't ring a bell."

The nun then takes a newspaper out of her habit and hands it to St.Peter. He reads the paper and starts laughing. He hands it back to her and says.... "No Sister,this headline says 'Sahara Pipeline, laid by 1,900 men in 6 months.'"

Resume for:

George W. Bush

Appointed President

United States of America

Past Work Experience

I ran for U.S. Congress and lost.

I produced a Hollywood slasher-B movie.

I bought an oil company, but couldn't find any oil in Texas; the company went bankrupt shortly after I sold all my stock.

I bought the Texas Rangers baseball team in a sweetheart deal that took land using taxpayer money.

With my father's help and name, I was elected Governor of Texas.

Accomplishments as Governor

I changed pollution laws in favor of the power and oil companies and made Texas the most polluted state in the Union.

I replaced Los Angeles with Houston as the most smog-ridden city in America.

I cut taxes and bankrupted Texas government to the tune of billions in borrowed money.

I set the record for the most executions by any Governor in American history.

I became U.S. President after losing the popular vote by over 500,000 votes with the help of major Enron money and my father's

appointments to the Supreme Court.

Accomplishments as President

I attacked and overtook two countries.

I spent the U.S. surplus and effectively bankrupted the U.S. Treasury.

I shattered the record for the largest annual deficit in U.S. history.

I set an economic record for most private bankruptcies filed in any 12-month period.

I set the all-time record for the biggest drop in the history of the U.S. stock market.

My record for environmental issues is the least of my concerns.

I am the first president in U.S. history to enter office with a criminal record.

I set the all-time record for most days on vacation in any one-year period.

After taking-off the entire month of August, I then presided over the worst security failure in U.S. history.

I am supporting development of a "Tactical Bunker Buster" nuke, a WMD.

I am getting our troops killed, under the lie of Saddam's procurement of Yellow Cake Nuke WMD components, then blaming the lie

on our British friends.

I set the record for most campaign fund-raising trips by a U.S. president.

In my first year in office over 2-million Americans lost their jobs and that trend continues every month.

I set the all-time record for most foreclosures in a 12-month period.

I appointed more convicted criminals to administration than any president in U.S. history.

I set the record for least amount of press conferences than any president since the advent of television.

I signed more laws and executive orders effectively amending or ignoring the Constitution than any president in history.

I presided over the biggest energy crisis in U.S. history and refused to intervene when corruption involving the oil industry was

revealed.

I presided over the highest gasoline prices in U.S. history and refused to use national reserves as past presidents have done.

I have cut health care benefits for war veterans and support a cut in duty benefits for active duty troops and their families -- in

wartime.

I have set the all-time record for most people worldwide to simultaneously protest me in public venues (15 million people)

shattering the record for protest against any person in the history of mankind.

I've dissolved more international treaties than any president in U.S. history.

I've made my presidency the most secretive and unaccountable of any in U.S. history.

I'm proud that the members of my cabinet are the richest of any administration in U.S. history.

My "poorest millionaire," Condoleezza Rice, has a Chevron oil tanker named after her.

I am the first president in U.S. history to have almost all 50 states of the Union simultaneously suffer massive financial crisis.

I presided over the biggest corporate stock market fraud of any market in any country in history.

I am the first president in U.S. history to order a pre-emptive attack and the military occupation of a sovereign nation, and I did

so against the will of the United Nations and the world community.

I created the largest government department bureaucracy in the history of the United States.

I set the all-time record for biggest annual budget spending increases, more than any president in history.

U.S. history.

I rendered the entire United Nations viewpoints irrelevant.

I refused to allow inspector's access to U.S. "prisoners of war" (detainees) and thereby have refused to abide by the Geneva

Convention.

I am the first president in history to refuse United Nations election inspectors (during the 2002 U.S. election).

I am the all-time U.S. and world record-holder for receiving the most corporate campaign donations.

My largest lifetime campaign contributor, and one of my best friends, (Kenneth Lay, former CEO of Enron Corporation) presided

over the largest corporate bankruptcy fraud in U.S. history. My political party used the Enron private jets and corporate

attorneys to assure my success with the U.S. Supreme Court during my election decision.

I have spent more money on polls and focus groups than any president in U.S. history.

I garnered the most sympathy for the U.S. after the World Trade Center attacks and less than a year later made the U.S. the most

resented country in the world, possibly the largest failure of diplomacy in World history.

I am actively working on a policy of "disengagement" creating the most hostile of Israel-Palestine relations in at least 30 years.

I am first president in history to have a majority of Europeans (71%) view my presidency as the biggest threat to world peace and

"The mass media does not reveal reality; it masks it. It doesn't help bring about change; it helps avoid change. It doesn't encourage democratic participation; it induces passivity, resignation, and selfishness. It doesn't generate creativity; it creates consumers." Eduardo Galeano, 1992

She said: You wear pants don't you?

He said: Shall we try swapping positions tonight?

She said: Good idea - you stand by the ironing board while I sit on
the sofa and fart!

He said: What have you been doing with all the grocery money I gave you?

She said: Turn sideways and look in the mirror!

He said: Why don't you tell me when you have an orgasm?

She said: I would but you're never there.

He said: Why did the man cross the road?

She said: He heard the chicken was a slut.

He said: Why don't women blink during foreplay?

She said: They don't have time

He said: How does a man show that he is planning for the future?

She said: He buys two cases of beer.

He said: What is the difference between men and government bonds?

She said: The bonds mature.

He said: Why are blonde jokes so short?

She said: So men can remember them.

He said: How many men does it take to change a roll of toilet paper?

She said: We don't know; it has never happened.

He said: Why is it difficult to find men who are sensitive, caring and good-looking?

She said: They already have boyfriends.

He said: What do you call a woman who knows where her husband is every night?

She said: A widow.

He said: Why are married women heavier than single women?

She said: Single women come home, see what's in the fridge and go to bed. Married women come home, see what's in bed and go to the fridge.

He said: What is the one thing that all men at singles bars have in common?

She said: They're married.

Man says to God: "God, why did you make woman so beautiful?" God says:

"So you would love her." Man says to God: "Why did you make her so dumb?" God says: "So she would love you."

Irish Philosophy

There are only two things to worry about: either you are well or you are sick.

If you are well

then there is nothing to worry about.

If you are sick,
there are two things to worry about.
Either you will get well or you will die.
If you get well,
there is nothing to worry about.

If you die,
there are two things to worry about.
Either you will go to heaven or hell.
If you go to heaven,
there is nothing to worry about.

If you go to hell,
you'll be so damn busy shaking hands with your friends, you won't have the time to worry!

The American businessman was at the pier of a small coastal Mexican village when a small boat with just one fisherman docked. Inside the small boat were several large yellowfin tuna. The American complimented the Mexican on the quality of his fish and asked how long it took to catch them.

The Mexican replied only a little while.

The American then asked why didn't he stay out longer and catch more fish?

The Mexican said he had enough to support his family's immediate needs.

The American then asked, but what do you do with the rest of your time?

The Mexican fisherman said, "I sleep late, fish a little, play with my children, take siesta with my wife, Maria, stroll into the village each evening where I sip wine and play guitar with my amigos, I have a full and busy life, señor."

The American scoffed, "I am a Harvard MBA and could help you. You should spend more time fishing and with the proceeds buy a bigger boat, and with the proceeds from that bigger boat, you could then buy several boats. Eventually, you would have a fleet of fishing boats. Instead of selling your catch to a middleman, you would sell directly to the processor, eventually opening your own cannery. You would control the product, processing and distribution. You would need to leave this small coastal fishing village and move to Mexico City, then LA and eventually NYC where you will run your expanding enterprise."

The Mexican fisherman asked, "But señor, how long will this all take?"

To which the American replied, "15-20 years."

"But what then, señor?"

The American laughed and said that's the best part. When the time is right you would announce an IPO and sell your company stock to the public and become very rich, you would make millions.

"Millions, señor? Then what?"

The American said, "Then you would retire. Move to a small coastal fishing village where you would sleep late, fish a little, play with your kids, take siestas with your wife, stroll to the village in the evenings where you could sip wine and play your guitar with your amigos."

I was barely sitting down when I heard a voice from the other stall saying: "Hi, how are you?"

I'm not the type to start a conversation in the men's restroom but I don't know what got into me, so I answered, somewhat embarrassed, "Doin' just fine!"

And the other guy says: "So what are you up to?"

What kind of question is that? At that point, I'm thinking this is too bizarre so I say: "Uhhh, I'm like you, just traveling!"

At this point I am just trying to get out as fast as I can when I hear another question. "Can I come over to your place?"

Ok, this question is just too weird for me but I figured I could just be polite and end the conversation. I tell him, "NO, today is a bad day for me!"

Then I hear the guy say nervously...
"Listen, I'll have to call you back. There's an idiot in the other stall who keeps answering all my questions!!!"

A Florida couple, both well into their 80s, go to a sex therapist's office. The doctor asks, "What can I do for you?"

The man says, "Will you watch us have sexual intercourse?"

The doctor raises both eyebrows, but he is so amazed that such an elderly couple is asking for sexual advice, that he agrees.

When the couple finishes, the doctor says, " There's absolutely nothing wrong with the way you have intercourse."

He thanks them for coming, wishes them good luck, charges them 50\$ and says goodbye.

The next week, however, die couple returns and asks the sex therapist to watch again. The sex therapist is a bit puzzled, but agrees.

This happens several weeks in a row. The couple makes an appointment, has intercourse with no problems, pays the doctor then leaves.

Finally, after 5 or 6 weeks of this routine, the doctor says, „I'm sorry, but I have to ask. Just what are you trying to find out?"

The old man says, "We are not trying to find out anything.

She's married and We can't go to her house.

I'm married and we can't go to my house. The Holiday Inn charges \$99, The Hilton charges \$139, We do it here for \$50, and I get \$43 back from Medicare."

Q: Will I be able to see elephants in the street? (USA)

A: Depends how much you've been drinking.

[May also depend on whether the elephants themselves have been drinking Amarulla . . . Sorry, in-joke/story . . . Gist, courtesy of google

-Amarulla is South Africa's most famous drink besides wine. It is made of marulla fruit and it tastes like Baily's. The fruit of the marula (*Sclerocarya birrea*) is well known as the basis for a highly intoxicating drink. Even in nature the fallen fruits tend to ferment rapidly, and the alcohol produced is said to intoxicate the game animals that feed on them.]

IDIOTS AT WORK:

I was signing the receipt for my credit card purchase when the clerk noticed I had never signed my name on the back of the credit card. She informed me that she could not complete the transaction unless the card was signed. When I asked why, she explained that it was necessary to compare the signature I had just signed on the receipt. So I signed the credit card in front of her. She carefully compared the signature to the one I had just signed on the receipt. As luck would have it, they matched.

IDIOTS IN THE NEIGHBORHOOD:

I live in a semi rural area. We recently had a new neighbor call the local township administrative office to request the removal of the Deer Crossing sign on our road. The reason: too many deer were being hit by cars and he didn't want them to cross there anymore.

IDIOTS IN FOOD SERVICE:

My daughter went to a local Taco Bell and ordered a taco. She asked the person behind the counter for "minimal lettuce." He said he was sorry, but they only had iceberg.

IDIOT SIGHTING #1:

I was at the airport, checking in at the gate when an airport employee asked, "Has anyone put anything in your baggage without your knowledge?" To which I replied, "If it was without my knowledge, how would I know?" He smiled knowingly and added, "That's why we ask."

IDIOT SIGHTING #2:

The stoplight on the corner buzzes when it's safe to cross the street. I was crossing with a coworker of mine when she asked if I knew what the buzzer was for. I explained that it signals blind people when the light is red.

Appalled, she responded, "What on earth are blind people doing driving?!"

IDIOT SIGHTING #3:

At a good-bye luncheon for an old and dear coworker who was leaving the company due to "down sizing," our manager commented cheerfully, "This is fun. We should do this more often." Not a word was spoken. We all just looked at each other with that deer-in-the-headlights stare.

IDIOT SIGHTING #4: Sounds like a teacher

I work with an individual who plugged her power strip back into itself and for the life of her couldn't understand why her system would not turn on.

IDIOT SIGHTING #5:

When my husband and I arrived at an automobile dealership to pick up our car, we were told the keys had been locked in it. We went to the service department and found a mechanic working feverishly to unlock the driver's side door. As I watched from the passenger side, I instinctively tried the door handle and discovered that it was unlocked. "Hey," I announced to the technician, "It's open!" To which he replied, "I know - I already got that side."

20 THINGS THAT TOOK ME 50 YEARS TO LEARN by Dave Barry

- 1. Never, under any circumstances, take a sleeping pill and a laxative on the same night.**
- 2. If you had to identify, in one word, the reason why the human race has not achieved, and never will achieve, its full potential, that word would be "meetings."**

3. There is a very fine line between "hobby" and "mental illness."

4. People who want to share their religious views with you almost never want you to share yours with them.

5. And when God, who created the entire universe with all of its glories, decides to deliver a message to humanity, He WILL NOT use, as His messenger, a person on cable TV with a bad hairstyle.

6. You should not confuse your career with your life.

7. No matter what happens, somebody will find a way to take it too seriously.

8. When trouble arises and things look bad, there is always one individual who perceives a solution and is willing to take command. Very often, that individual is crazy.

9. Nobody cares if you can't dance well. Just get up and dance.

10. Never lick a steak knife.

11. Take out the fortune before you eat the cookie.

12. The most powerful force in the universe is gossip.

13. You will never find anybody who can give you a clear and compelling reason why we observe daylight savings time.

14. You should never say anything to a woman that even remotely suggests that you think she's pregnant, unless you can see an actual baby emerging from her at that moment.

15. There comes a time when you should stop expecting other people to make a big deal about your birthday. That age is eleven.

16. The one thing that unites all human beings, regardless of age, gender, religion, economic status or ethnic background, is that, deep down inside, we ALL believe that we are above-average drivers.

17. The main accomplishment of almost all organized protests is to annoy people who are not in them.

18. A person who is nice to you, but rude to the waiter, is not a nice person. (This is very important. Pay attention. It never fails.)

19. Your friends love you anyway.

20. Never be afraid to try something new. Remember that a lone amateur built the Ark. A large group of professionals built the Titanic
